Reviews

Definitely among the best ebook I have actually go through. I have read and i also am confident that i am going to likely to read once again once again later on. I am just very happy to explain how this is actually the finest publication i have read in my own daily life and could be he greatest pdf for at any time.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the PREFACE TO THE AMERICAN EDITION. The theory and policy of Guild Socialism, or National Guilds, have been developed over a period of years, and primarily with a view to British industrial conditions. The widespread interest which they have aroused in the United States of America shows, however, that, while there is much in the American conditions that is different, there are nevertheless, broadly speaking, similar social diseases calling for similar remedies. It is not for an Englishman to prescribe to the citizens of other countries the medicine for their social ills: he has amply enough on hand in seeking to act as a physician - one among many - to his own countrymen, threatened as they seem to be by the alternatives of a sudden breaking up or of a gradual breaking down of the mechanism of British industry. This is, indeed, too pessimistic a statement to express the real facts of the industrial situation in Great Britain at the present time; for there are forces of creation as well as forces of destruction at work. But at best it will be a hard-run race between these forces, and the prospects of a victory for the creative forces have not grown brighter of late. In the United States of America, although a similar contest is proceeding, it has neither reached the same phase nor passed through the same stages. British industry to-day is vastly more concentrated and trustified than American industry, and the very smallness of Great Britain has led, among employers and workers, to a much closer organization and a much greater uniformity of method and policy. New schemes and policies tend to arise in Great Britain...
