Preliminary Report on the Raw Materials, Manufacture and Uses of Hydraulic Cements in Manitoba (Classic Reprint) (Hardback)

By J Walter Wells

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Preliminary Report on the Raw Materials, Manufacture and Uses of Hydraulic Cements in Manitoba I have the honour to transmit herewith a preliminary report on the raw materials, manufacture and uses of Hydraulic Cements in Manitoba. This involved the examination of the limestones, marls, clays, shales and coal deposits of Manitoba so far as could be done in a preliminary field survey during a period of five. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
