Createspace, United States, 2010. Paperback. Book Condition: New. 224 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.On June 4, 2009, President Barack Hussein Obama was in Cairo, Egypt talking about Islam to a Muslim audience. What did this speech show about President Obama s understanding of Islam? Starting with quotes from that Cairo speech, Dr. Stephen M. Kirby then examines Obama s two autobiographies, canonical texts of Islam, and surveys of Muslim-Americans to answer that question. In the epilogue of this handbook Dr. Kirby looks into the Obama administration s response to the June 1, 2009 shooting of two Army privates outside the Little Rock, Arkansas Army recruiting station. The shooting was done by a Muslim convert and received minimal media coverage. You will be surprised at the two-day silence of President Obama and his administration about this shooting. Dr. Kirby provides an explanation for this silence. After reading this book you will have a better understanding of how a sitting president understands Islam.
