By Thomas Whittingslow

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Twelve extraordinary people have shared their lives with me -ranging from a Nobel Prize winner and a 107-year old Navajo grandmother, to a man who lived connected to an artificial heart machine for two years. Each of us leaves a unique footprint or a legacy before we die. At the end of each chapter the interviewee was asked if they were at the end of life - what are the most important lessons that they would like to pass along to a favorite son or daughter. To retain character and personality; the stories are unfiltered, told in the interviewees own words. Every man s story is sacred and worthy of recognition. Every act has its consequences-and with it come lessons. Uncommon Wisdom touches upon the following: Purpose of life Artistic breakthroughs Success Personal growth Courage under pressure Confronting death Overcoming racial and gender barriers Foundations for a fulfilling life Business strategies from a CEO Breaking social barriers Caretaking Ethics and spirituality The need for mentors has never been more crucial as colleges and universities are teaching students how to memorize and spit...
