Outskirts Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Faith, Family, Country Events in life provide opportunities for us to ponder the past, the future and sometimes each day as it comes. The results are usually a window into the tenets of our personalities. Reflections and Impressions is an accumulation of circumstances, expectations and interpretations. I am a wife, mother, and grandmother. Born in a large city, I married my high school sweetheart and helped support him through college and medical school. Always interested in poetry and story telling, I made up ditties and stories for my children and grandchildren. When my husband asked for a poem to be given to families of loved ones who died, The Master s Plan came to me. Reading it inspired some friends to request poems for special occasions. These in turn caused me to reflect on issues in my own life.
