## LE "NOUVEAU" FRONT NATIONAL

Condition: New. Publisher/Verlag: Éditions universitaires européennes | Etude de la nouvelle ligne du parti à travers le discours de Marine Le Pen | Le 16 janvier 2011 marque officiellement la fin du règne de Jean-Marie Le Pen au Front National. La cadette de ses filles, Marine, reprend alors les rennes du parti politique le plus décrié de France. S'entame alors un véritable combat pour la nouvelle grande figure du FN : la dédramatisation de son parti. Le discours de Marine Le Pen semble vouloir rompre avec les élans oratoires souvent critiqués de son prédécesseur, mais est-ce réellement le cas ? A travers une analyse des discours politiques tenus par la Présidente du Front National, ce livre s'attèle à rendre compte des changements, réels ou maquillés, au niveau de la ligne du parti. L'étude précise des mots utilisés ainsi que des procédés manipulateurs met en avant l'abandon de certains thèmes au profit de la création de nouveaux bouc-émissaires tels que l'Europe par exemple. Dans un contexte de crise économique, sociale et politique française, nous montrons de quelle manière le discours d'extrême droite est peu à peu délaissé pour l'adoption d'une position populiste à la mode. | Format: Paperback | Language/Sprache: fr | 165 gr | 220x150x6 mm | 112 pp.
