COSIMO CLASSICS, United States, 2007. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The biblical Book of Revelation is not a cryptic history or prophecy, as is generally believed, but is, in fact, a manual of spiritual development. So explains theosophist James M. Pryse in this 1919 work, which seeks to uncover the hidden significance of the most misunderstood section of the Bible and reinterpret it from a modern theosophical perspective, uncovering its esoteric relationship to other ancient texts, including the Upanishads. Pryse offers a new translation of the Apocalypse based upon undisputed meanings of the original Greek text and comments on it on a verse-by-verse basis to bring to light startling new meaning in a work that many readers will have believed fully explored. Students of comparative mythology, ancient religion, and the Bible will find this an intriguing read. American journalist JAMES MORGAN PRYSE JR. (1859-1942) helped found the Gnostic Society in Los Angeles in 1925. He is also the author of *Sermon on the Mount and Other Extracts from the New Testament* (1899) and *Reincarnation in the New Testament* (1900), among other works.
