SNOWGLOBE OF MEMORIES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A collection of tales of love and lust throughout the ages. Enter the realm of The Raven and The Wolf, where two men fear the perils of being caught, but still risk the penalty as their passions consume them. See it all from The Raven s eyes in the companion piece, Through the Past s Looking Glass. Then wander through one last embrace with them in a Valentine s Day revisit. Partake in the briefest of interludes, and hear the Lament of a Beloved King s Fool, as they declare their undying adoration even in the face of death. Then come to a more modernized age, and witness the final steps to freedom to love and lust after another with Monica and Elise, in Shame. An alternate ending has been provided as a wistful taste of what might have been. And then, one final vignette of lust and love shared within a Valentine s Day revisit as well. This is erotica for both sides of the coin, so enjoy the temptations, and revel in all the lust.
