## Weaving and Binding: Immigrant Gods and Female Immortals in Ancient Japan (Hardback)

By Michael Como

University of Hawai i Press, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book. Building on these recent archaeological discoveries, Michael Como charts an epochal transformation in the religious culture of the Japanese islands, tracing the transmission and development of fundamental paradigms of religious practice to immigrant lineages and deities from the Korean peninsula. In addition to archaeological materials, Como makes extensive use of a wide range of textual sources from across Asia, including court chronicles, poetry collections, gazetteers, temple records, and divinatory texts. As he investigates...
