

41 Active Learning Strategies for the Inclusive Classroom, Grades 6--12

By Diane Casale-Giannola, Linda S. Green

SAGE Publications Inc. Paperback. Book Condition: new. BRAND NEW, 41 Active Learning Strategies for the Inclusive Classroom, Grades 6--12, Diane Casale-Giannola, Linda S. Green, Motivating adolescents to learn can be a challenge! Often distracted and easily bored, these kids are also critical thinkers capable of thriving in the classroom while learning 21st century skills. How do we hold their attention and develop their abilities? Research shows that all students-regardless of learning style, disability category, or language difference-learn more effectively when they are engaged in active learning. 41 Active Learning Strategies for the Inclusive Classroom shows teachers how to help all students achieve positive learning outcomes. The authors provide a compilation of strategies that serve as blueprints for instructional design and directions for using them across a variety of content areas. The many benefits of active learning include: A more engaged and interactive classroom Increased self-directed learning Development of higher-order thinking skills such as analysis, synthesis, evaluation Improved reading, discussion, and writing competencies Each strategy includes materials, directions, sample applications across content areas, ways to support students with learning differences, and sample vignettes. New teacher requirements and raised expectations to meet higher standards for all students might make the teaching challenge...
