THE AQUARIAN HEALER: A BRIGHTSTAR EMPOWERMENT (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The most anticipated BrightStar Empowerment has finally arrived! Also look for the other BrightStar Empowerments THE AQUARIAN EMPATH, THE AQUARIAN EMPATH PART II, and THE AQUARIAN PATH TO ABUNDANCE! The physical body is going through great changes in response to the higher light quotient on the planet at this time. Those who identify as Empathic or Highly Sensitive may be more aware of this than others. The popular New Age view that sees illness or disease as some kind of mental weakness or emotional defect often misses the mark. These processes can be deep and complicated at times, and not easily explained away by one catch-all meaning or philosophical view. In illness, the physical body may be seen as the enemy and as a thing to be feared instead of loved. True healing on all levels is really a return to the knowledge that no matter what, you are okay, and actually even better than that. You are not the body, nor any of these passing scenes. To return to your original, organic state of LOVE is powerful medicine. Illness, dis-ease, and prosperity difficulties are often from a general dis-ease with the process of life, as well as deep, abiding fear and the original sin illusion with its subsequent guilt and shame. But in the reality of many cases, the purpose of the dis-ease process is to raise awareness for deeper healing--not to punish or condemn. Dear ones, an essential part of healing and restoring yourselves is the belief in the essential benevolence of Life and its constant movement towards balance. Even if you cannot always see it in the moment or understand the mysteries, you are LOVED.
