URBAN STREET STORMWATER GUIDE (HARDBACK)

Island Press, United States, 2017. Hardback. Condition: New. 2nd None ed.. Language: English . Brand New Book. Streets make up more than 80 percent of all public space in cities, yet street space is often underutilised or disproportionately allocated to the movement of private motor vehicles. Excess impervious surface contributes to stormwater runoff, posing a threat to the environment and human health, and often overwhelming sewer systems. This excess asphalt also poses a threat to public safety, encouraging faster speeds...

Reviews

A new electronic book with a new viewpoint. I could comprehend almost everything using this written e publication. You wont really feel monotony at whenever you want of your own time (that's what catalogues are for concerning in the event you request me).

-- **Zachariah Cole III**

Extensive manual for book lovers. It really is simplistic but excitement from the 50 % of your pdf. You wont feel monotony at anytime of your time (that's what catalogs are for regarding if you check with me).
