Brand New Book ***** Print on Demand *****.Excerpt from An Introduction to the Field Sports of France: Being a Practical View of Hunting, Shooting and Fishing, on the Continent If the british sportsman were received in France as he is in Bavaria, where Mr Parisel, the inspector at Bruckenau waits upon all visitors, to consult their tastes and pleasures, and tenders permission to shoot and fish in the extensive royal demesnes in its vicinity, a guide to the field sports of France would be unnecessary; but on the contrary, it is with the utmost difficulty, and after much time has been wasted in making fruitless enquiries, that he can obtain any useful local information. The trench sportsmen are not very communicative on these topics; and the rest of the community seem to know very little about the matter.
