THE SKELETON PAINTS A PICTURE: A FAMILY SKELETON MYSTERY (#4) (PAPERBACK)**DOWNLOAD**

Diversion Publishing - Ips, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Dr. Georgia Thackery is smart, resourceful, and determined to be a great single mom to her teenager. Georgia is normal in every respect--except that her best friend happens to be a skeleton named Sid. You ll love the adventures of this unexpected mystery-solving duo. --Charlaine Harris, #1 New York Times bestselling author Georgia Thackery, adjunct English professor, has a new job teaching at Falstone College of Art and Design, known as FAD to its students and faculty. Living in a borrowed bungalow during winter in the snowiest part of Massachusetts, Georgia feels her isolation weighing as heavily as the weather. Then she receives a package containing her best friend, Sid, a walking, talking skeleton who has lived with the Thackery family since Georgia was six. With Georgia working out of town, Sid was lonely too. The two of them make plans for a cozy semester together, and it might have worked out that way if Sid hadn t snuck out in the middle of the night to play in the snow and spotted a crashed car. When he drags Georgia out to investigate, they find the driver behind the wheel, apparently dead from the collision. Initially, police think it s an accident, so Georgia and Sid think that s the end of it--until Georgia finds out the body hits closer to home than she d realized. A very touching and entertaining whodunit. The mystery is intelligent and nicely done with fun insights into academia and anthropology. --RT Book Reviews on A Skeleton in the Family.
