AUTHORHOUSE, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a simple guide to understanding the Esoteric meaning of God and the Divine Cosmos. Channeled with the upmost clarity for the average person, this book answers some of the really big, deep questions about the nature of existence, such as: 1. Who and what is God? Is God truly a loving Being? Does God care about and intervene in our lives? How does God figure in the recent discoveries of cosmology, such as The Big Bang theory? 2. Why am I here? Is there any purpose to my life? How can I make my life more meaningful? Is there a spiritual way I can empower myself? 3. What happens after I die? Is this life all that there is? Where was I before I was born? Will I be coming back in a human or other type of life form? Does heaven exist? 4. Why do bad things happen to good people? How can a loving God allow good people to suffer and bad people to flourish? Why am I still alive while others my age or younger have passed away? Can we stop bad things from happening to us and the ones we love? Is there any power in prayer? The Ascended Masters allow the reader to visualize a new way to think about themselves and the very nature of reality.
