Reviews

It is great and fantastic. Better then never, though i am quite late in start reading this one. Your life period will likely be transform once you comprehensive reading this book.

(Blanca Davis)

FOSSIL FUEL FOR THE BRAIN

Createspace, United States, 2013. Paperback. Book Condition: New. MR Tony Avacato (illustrator). 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.RHYME IS NOT A CRIME!!! In this, his second collection of self-created experimental forms, D.E.Walsh explores the intricacies of modern poetry by going through his archives to examine the ideas sometimes seemingly forgotten in contemporary verse. Although many of the works appear autobiographical and/or introspective, they represent a statement about the essence of today s poetics and the nature of the craft itself. Containing both rhymed and open formats with a middle section of 21st-century Psalms to reflect his journey towards, and with, the Lord, these works span more than a decade of devoted writing and an improvement in the ability to illuminate the core of the human condition.
