

The T-Factor Diet (Revised and Updated)

Filesize: 2.2 MB

Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

(Taylor Medhurst)

THE T-FACTOR DIET (REVISED AND UPDATED)

WW Norton & Co. Paperback. Book Condition: new. BRAND NEW, The T-Factor Diet (Revised and Updated), Martin Katahn, By now, most people who have tried some of the recent fad diets have realized that those diets don't work; weight lost in the initial stages is eventually gained back, leaving the dieter at the same weight as before, or even heavier. What does work, however, is the program outlined in The T-Factor Diet, the groundbreaking book that has sold well over a million copies since initial publication. Its runaway success launched the best-selling T-Factor Fat Gram Counter and its companion guides, changing a nation's attitude toward high-fat foods. This book's scientifically proven advice remains true today: by understanding the "T-factor" or thermogenic effect, in which carbohydrate calories are burned faster than fat calories, you can lose weight quickly and safely, and keep it off-all without going hungry. Dr. Martin Katahn explains how to choose foods that naturally maximize the T-factor level, thus activating the body's hidden fat-burning potential; he also includes exercises, recipes, and meal plans.
