Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Deafness and Discharge From the Ear: The Modern Treatment for the Radical Cure of Deafness, Otorrhoea, Noises in the Head, Vertigo, and Distress in the Ear I have requested Dr. Duane to prepare these pages for publication, with the Object of giving information concerning the modern treatment Of ear diseases by radical measures to numerous inquirers, specially those whose letters I have not the necessary time at my disposal to answer, and, indeed, could not answer satisfactorily within the limits of ordinary correspondence. This treatment Of the ear is based upon modern surgical principles; but, like other advances in science, where ancient customs are displaced, it has met with strenuous Opposition in some quarters and conservative indifference in others. It is believed, however, that a careful study of the subject will convince the sceptical Of the merits Of rational treatment, when contrasted with ancient methods, whose chief interest lies in their antiquity.
