The Journey was born of Brandon Bays' extraordinary experience of healing from a football-sized tumour, without drugs or surgery, in 6 weeks. Forced to go beyond the limits of known alternative therapies (she had been working in mind/body healing for two decades) she was catapulted into a remarkable, soul-searching and ultimately ground-breaking healing journey. At the most sophisticated nexus of mind-body healing today, The Journey offers a simple imaginative process that is a revolutionary way to actually access memories held in specific parts of the body, bringing the latest findings of energy medicine into a fast, effective technique that anyone from a CEO to a child can use.
