**UNIVERSITY OF IDAHO (PAPERBACK)**

Arcadia Publishing (SC), United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Chroniclers have deemed the University of Idaho The Beacon for Mountain and Plain and This Crested Hill --both are apt monikers for Idaho's land grant and comprehensive research university. For over 125 years, the University of Idaho has served the people of Idaho, the nation, and the world. Among the institution's more than 100,000 graduates are US senators, members of Congress, and Idaho governors; Olympic gold medalists, professional athletes, and coaches; the country's first Native American astronaut; writers, journalists, and filmmakers; educators; and business and community leaders. Extension offices in 42 of 44 counties and three regional centers bring the University of Idaho to every corner of the state; the institution's economic impact tops \$1 billion per year. As the state's first university, the University of Idaho looks to a bright future of serving students and contributing to economic and social progress for Idaho and beyond. This book commemorates the proud heritage and innovative spirit of students, faculty, and staff who have shaped the history of the University of Idaho, featuring images from the library's extensive Special Collections and Archives department.
