Bullied as a child, she hides behind an unremarkable wardrobe and relegates herself to the shadows. But when her best friend convinces her to attend a charity benefit in Chicago wearing a stunning red dress that catches the eye of every man in the room, she discovers a surprising side to her personality. One that adores the spotlight but has no idea how to handle the attention. Mark Strong, a wealthy Chicago businessman, is brimming with confidence. He's in total control. Nothing and no one escapes his notice. However, Mark carries a heavy, painful burden. After finding his fiancé with another man six years ago, he's erected a fortress around his heart, unwilling to let himself fall in love again. But when enchanting Karma snares his gaze from across the room, he has no idea she will shatter his carefully ordered life. What starts out as a casual flirtation takes a series of surprising turns as Mark and Karma embark on a sensual journey destined by fate. Mark is driven to know Karma, understand her, and educate her, and Karma is his willing student, eager to experience the pleasure he promises. But when the student becomes the teacher, Mark has to make a choice between taking another chance on love or a future alone. This item ships from multiple locations.
