CCH, United States, 2015. Hardback. Book Condition: New. 279 x 224 mm. Language: English . Brand New Book. CCH s Federal Taxation: Comprehensive Topics is a popular teacher-created combination first- and second-level tax course that offers comprehensive one-volume coverage of all the most important tax concepts and principles for a solid grounding in federal taxation. It offers clear and concise explanation of fundamental tax concepts in the framework of today s tax practice. Covering both planning and compliance, the book strikes an effective balance between AICPA model curriculum demands and the favored approaches of the majority of today s top tax teachers. CCH s Comprehensive Topics introduces students to the complex and absorbing study of federal taxation, covering a broad range of subjects beginning with basic concepts and individual taxation. Once the fundamentals are covered, tax accounting and the taxation of partnerships and corporations become the focus. The final section of the book presents estate and gift taxation coverage, along with income taxation of trusts and estates. Deferred compensation, education savings, international tax, and state and local taxation are also addressed. Written by top tax teachers from across the country, CCH s Federal Taxation: Comprehensive Topics presents materials in straightforward language to improve student comprehension. Emphasis is given to the most important topics that have the greatest real-world impact. FOR ADOPTING TEACHERS: Instructors adopting Federal Taxation: Comprehensive Topics also receive a looseleaf Instructor s Guide that includes the following helpful features: 1) Course outlines and AICPA Model Tax Curriculum outlines that show how the text can be used by teachers in various types of courses. 2) Summary of each chapter to provide the adopter with a quick view of what s covered and to facilitate.
