No words are needed - and unexpected things can happen - when a boy, some bold paint, an active imagination and a white wall come together. A little boy stands in front of the whitest of white walls. He readies his brush . and begins to paint. First off, a coat of pink - but wait, what s that? The painted wall reveals six birdies, perched on a branch! Then he tries the blue paint and . yes! It s happened again! Fourteen little fish emerge, swimming in the blue. Yellow, grey, green and purple - there are lots of surprises in store for our little painter. Smart visual storytelling and bold graphic art give this book a unique look and feel.
