AUTHORHOUSE, United States, 2006. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.The words contained within this body of work were strung together to tell a tale of greed, lust, selfish indulgence, the unbearable weight of a broken spirit, and the triumph and sorrow gained from placing too much faith in the proverbial human heart. Things happen. Some good. Some bad. The difference between the two lying completely within the realm of the moral compass of each individual bearing witness to this particular piece. The only other elaboration I ll offer is that it involves a young man named Curtis Winslow; the ruffian who first made his presence known within the pages of Jasmine s Tears and continued to remain a dominant figure within the confines of a book entitled The Redemption of Crestwood Heights. He is by no means alone in this current literary rendition of his life that s taking place at a point on a timeline quite some distance before his appearance in Jasmine s Tears. The temptress Amy Bradshaw is present to wreak her own brand of havoc in his life along with the likes of Teri Neilson, April Fletcher, and many others. The trip; one of drug induced debauchery. The journey; one of self examination and realization. If you want, read it. If not, leave it where you found it. Surely the content of these passages aren t worth any undo grief or unwarranted interruptions of the natural order of things, granted they just might have a tendency to do both.
