Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 94 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. I found how life created itself and used molecular dioxide osmosis to construct DNA. I understand the constructs of a soul and its role in awareness. I know why humans evolved while others remained in the trees and I figured out that the stories of Moses, Noah and Adam were of one massive single event and not 3 separate ones. Ill show you how genetics is tied to chemistry, how chemistrys tied to biology, how all is reliant on physics and how astronomy holds it all together. Calling me an atheist would be incorrect for I do believe in something, science and Im not trying to destroy anyones higher whatever Im just trying to grow our race up a little. I love The Terminator movie quote about fate only I tweaked it a little The only fate well have is from the choices we make for ourselves This item ships from La Vergne, TN. Paperback.
