Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Atlantic Monthly, Vol. 16: A Magazine of Literature, Science, Art, and Politics; October, 1865 And who can fail to remember What superior resources a cultivated mind has over one sunk in Sloth and ignorance, - how much wider an outlook, how much larger and more varied interests, and how these things support when outward props fail, how they strengthen in misfortune and pain, and keep the heart from anxieties which might wear out the body? Scott, dictating Ivanhoe in the midst of a torturing Sickness, and so rising, by force of a cultivated imagination, above all physical anguish, to revel in visions of chivalric Splendor, is but the type of men everywhere, who, but for resources supplied by the mind, would have sunk beneath the blows of adverse fortune, or else sought forgetfulness in brutalizing and destructive pleasures. Sometimes a book is better far than medicine, and more truly soothing than the best anodyne. Sometimes a rich-freighted memory is more genial than many companions. Sometimes a firm mind, that has all it needs within itself, is a watchtower to which we may flee, and from which look down calmly upon our own losses and misfortunes. He who does not understand this has either had a most fortunate experience, or else has no culture, which is really a part of himself, woven into the very texture of the soul. So, if there were no facts, considering the mind, and who made it, and how it is related to the body, and how, when it is a good mind and a well-stored mind, it seems to stand for all else, to be food and Shelter and comfort...
