

Jerusalem and the One God: A Religious History (Paperback)

Filesize: 5.05 MB

Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

JERUSALEM AND THE ONE GOD: A RELIGIOUS HISTORY (PAPERBACK)

DOWNLOAD

Fortress Press,U.S., United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Jerusalem, with its turbulent history, is without doubt one of the best-known cities of the world. A long line of foreign powers have ruled over it, from as far back as biblical times. But the city owes its importance not to them but to the fact that it is the birthplace of the monotheistic currents that shape Judaism, Christianity, and Islam. Othmar Keel sketches in broad brush strokes the historical development of Israelite-Jewish monotheism in and around Jerusalem, arguing that monotheism is a product of the city, not of the desert, and describes its integration of polytheistic symbols and perceptions into its worldview. Keel relies on biblical and extrabiblical texts as well as the rich iconographic evidence of archaeological discoveries. Abundant maps and sketches of archaeological artifacts enhance his argument.
