How to Attract Men Worth Dating and Get the Guy You Really Want When it comes to finding a suitable mate for a passion filled, committed relationship, one of the things men want most in a woman is self-possession, or said another way, womanly poise. When high-quality men come across a woman with poise they crave her respect, her approval, and most importantly, her love. Men like this understand that a woman's poise reflects her self-worth. And they know that a woman can only act with poise when she's placed a higher importance on her dignity and well-being than she does on ANY man. She is too lenient with men in the beginning stages of a new romance, and she's prone to compromising her standards just to keep a man in her life. A woman with poise never chases or throws herself at a man, nor does she make things easy for him by clearing her schedule just in case he calls or comes around. Instead, a woman with poise maintains her mystery, sticks to her standards, and uses her...
