

The Girl, the Gold Watch Everything

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

THE GIRL, THE GOLD WATCH EVERYTHING

Random House Trade, United States, 2014. Paperback. Book Condition: New. Reprint. 200 x 130 mm. Language: English . Brand New Book. From John D. MacDonald, one of the enduring American novelists of the twentieth century, comes a science fiction classic with a timeless premise. An aimless young man discovers a way to stop the world in its tracks and that s when his life truly begins. Introduction by Dean Koontz Once an ordinary math teacher, Omar Krepps developed a knack for gambling, amassed a fabulous fortune, and spent the rest of his life traveling the world and giving away his millions. Upon his death, however, Krepps bequeaths nothing to his nephew and only living blood relative, Kirby Winter nothing, that is, except an antique watch and a sealed letter to be opened after one year. But Kirby has much more in his possession than he realizes. The watch has the power to manipulate time. Not only does this revelation shed light on the mystery of his uncle s life, it puts Kirby on the path to unimaginable wealth and a new lease on love . . . as well as a whole host of deadly troubles. Even in a universe where time is no issue, Kirby must tread carefully to stay one step ahead of danger. Praise for John D. MacDonald To diggers a thousand years from now, the works of John D. MacDonald would be a treasure on the order of the tomb of Tutankhamen. Kurt Vonnegut As a young writer, all I ever wanted was to touch readers as powerfully as John D. MacDonald touched me. Dean Koontz John D. MacDonald was a writer way ahead of his time. John Saul.
