Conscience: Your Ultimate Personal Survival Guide

By Patricia E West

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Conscience is the necessary follow-up to the Common Sense Book of Change, clarifying how and why it works. It s underlying philosophy, codified in The Positive Paradigm of Change, links the worldwide leadership deficit (and related budget deficits) to an underlying knowledge deficit. For lack of what The Book of Change has to offer, people everywhere remain perplexed as to how and why so much continues to go so horribly wrong. As the compendium of natural law and the premier leadership training and decision-making manual in China for thousands of years, it fills in a fatal knowledge gap. Mainstreaming this vitally important information is the first, necessary step towards the positive change which many call for, but remain unable to achieve. The IChing is called The Ultimate Personal Survival Guide because it refers to ultimate timeless wisdom. This wisdom is accessible on a personal level, facilitating inner and outer change, one person at a time. This change gives us the edge on survival, influencing who will survive, how, on which levels of experience. And it s a guide...

Reviews

Extremely helpful for all class of people. We have read through and that i am confident that i am going to going to read through again again down the road. Its been designed in an exceedingly basic way in fact it is simply following i finished reading this pdf in which in fact altered me, alter the way i think.
