Adam Darvin was a normal young man living in a suburb of Clarendon Ditch until the day he hatched. Suddenly in a fiery trance-like state, Adams incredible powers emerge. The life Adam knew is over in an instant and his entire world will never be the same. Although Adam initially feels isolated by his new powers, he slowly discovers that hes not alone. Adam meets other would-be heroes Liam Clover and Kerri Ross and develops deep friendships with both. Follow Adam, Liam, and Kerri as they learn more about their powers, discover secrets about their true enemies, and make new allies in what will begin as a fight for knowledge and survival, and soon become an epic struggle to save their world. The Champion of Clarendon Ditch is a story about heroism, sacrifice, loneliness, leadership, and above all, friendship. It combines the excitement of a super hero comic book adventure with the heart of a character-based and relationship driven novel. With both incredible battles and quieter moments between its characters, the story is as much about super-powered good fighting to overcome an all-powerful evil, as it is about the relationships, growth, love, and loss of its heroes. This item ships from La Vergne, TN. Paperback.
