Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

La Vente internationale de Marchandises et le Conflit de Lois, Michel Pelichet The principal subject of the course of Michel Pelichet, Deputy Secretary-General of the Hague Conference on private international law, is the study of the The Hague Convention of 1986, which is a revision of the one of 1955. The second part of the course provides an analysis of the 1986 Convention and its relation to the Convention of Vienna of 1980.
