Reviews

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.

AMERICAN FOLKLIFE (PAPERBACK)

University of Texas Press, United States, 2011. Paperback. Condition: New. New.. Language: English . Brand New Book ***** Print on Demand *****.Knowledge of folk custom and folk belief can help to explain ways of thought and behavior in modern America. American Folklife, a unique collection of essays dedicated to the presentation of American tradition, broadens our understanding of the regional differences and ethnic folkways that color American life. Folklife research examines the entire context of everyday life in past and present. It includes every aspect of traditional life, from regional architecture through the full range of material culture into spiritual culture, folk religion, witchcraft, and other forms of folk belief. This collection is especially useful in its application to American society, where countless influences from European, American Indian, and African cultural backgrounds merge. American Folklife relates folklife research to history, anthropology, cultural geography, architectural history, ethnographic film, folk technology, folk belief, and ethnic tensions in American society. It documents the folk-cultural background that is the root of our society.
