Capital gains are subject to both the risk of a decline in economic fundamentals and a deterioration in market psychology. High-quality dividends and income are subject only to the former, and that makes a big difference in modeling your portfolio returns in retirement. -- Charles Lewis Sizemore CFA, Senior Analyst HS Dent Investment Management, LLC I am a Chartered Accountant in Canada and spent most of my career teaching in a community college. Over the years, I have used various plans, with varying degrees of success, but had never given much thought to dividends, so I fell prey to the hype about capital gains. So what was I thinking? Should have been investing for dividends. I also learned about some new investment vehicles, and got a heads up on some investments that I was...
