Candlewick Press (MA), United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. Everything works in this book -- the informative yet humorous writing, the not-too-scary illustrations, and a superb layout that employs multisized text and bright color backgrounds to great effect. -- THE HORN BOOK SHAAAARRRKK! That s probably the last word anyone wants to hear while swimming in the warm blue sea. But most sharks aren t at all what people expect. In fact, those who think all sharks are giant, man-eating killers are in for a surprise. The compelling narrative, colorful illustrations, and captivating facts in SURPRISING SHARKS reveal that sharks come in all shapes and sizes -- and probably should be more afraid of humans than we are of them. Back matter includes an index and a note about sharks.
