But seminary cannot teach you the real life, day to day, practical experiences and operation of leading God s people. In this book we will look at some practical principles a pastor will not learn in seminary. Many pastors are in for a rude awakening when they are called to their pastorate. They enter the job with excitement and zeal, only to be later frustrated by the everyday duties a pastor must deal with. This book will cover everything from understanding your call, how to handle criticism, do you and your church make a good fit, leading church meetings, to knowing when your assignment is over. We will discuss how to plan a construction project, dealing with ministry and staff betrayal, finding a mentor, the power of preaching the Word and spending time with the Lord in prayer. (i will add a small photo of myself).
