Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Two Eras, Old and New: A Political and Historical Sketch of Our Government From 1789 to 1917 In this golden age of Virginia and the South, it was quite the fashion, however, to place a Northern man upon the national ticket, either as president or, more frequently, as vice-president, to preserve the balance of power and harmony between the sections. The older and younger Adams of Massachusetts, Van Buren of New York, Pierce of New Hampshire, and Buchanan of Pennsylvania, served these purposes as presidents; and George Clinton, Tompkins, Gerry, Dallas and Fill more, as vice-presidents. In this period of our history there was no West as we know it today. There were then but two great divisions, or sections, of our country: North and South. The former comprised all that part lying above Mason and Dixon's line; the latter, all that tract below it. In a word, the term North then meant the territory stretching from Pennsylvania northeast to and including New Hampshire; the term South, that extending southwest to and including Georgia. Pennsylvania, having six...

Reviews

This is the finest book I have got to study right up until now. I am quite late in starting reading this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
