Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: Urdu . Brand New Book ***** Print on Demand *****.Faraar- An Escape From Reality is a story of a young man who gets addicted of drugs. The only motive behind this novel is that I wanted to tell youngsters that how The Menace of Drugs ruin their lives and to make them vigilant. Using Drugs isn t a solution of all the problems we face in our daily lives the consequences are horrible. We should face the reality with courage and determination, and shouldn t adopt a way which lead us towards death and disrespect. It is difficult to describe it in words, but i hope after reading Faraar- An Escape From Reality you will get the theme/ central idea of the novel easily. FARAAR is a word of URDU which means escape. It is not a realistic approach that by using drugs we could deviate the bitter realities of our lives. I hope you ll like this novel and the message behind it.
