## Sixth Annual Report on Kansas Forestry: For 1885 (Classic Reprint) (Paperback)

By Kansas State Horticultural Society

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Sixth Annual Report on Kansas Forestry: For 1885 As to the first: I have already noted many ways in which we may be more frugal, and keep something in store for that day of greater emergency which is sure to come. There are certain other directions in which we may move without waiting for the action of the civil authorities. I mention these in no special order, as they have no logical connection; but as they have been jotted down from time to time during the years in which this topic has urged itself on my attention. A double or triple row of trees can be grown around a farm with scarcely any loss of land, and at very small expense. Such rows could also be set across a farm in each direction - possibly so as to inclose each forty acres, certainly each eighty. You know the practical value of such hedges or wind-breaks better than I can tell you. In the West, with our broad prairies almost destitute of timber, with nothing to break the gathering force...

### Reviews

*The ebook is straightforward in go through preferable to recognize. It typically does not charge too much. Its been designed in an exceptionally straightforward way and it is just following i finished reading this book where basically altered me, affect the way i really believe.*
