Tate Publishing. Paperback. Book Condition: New. Paperback. 100 pages. Dimensions: 6.9in. x 5.0in. x 0.4in. Essays on Faith covers a variety of subjects from a biblical perspective. The author covers such diverse subjects as church growth and sanctification. Christians have questions about Gods will, calling and plans for the individual. Fletcher opens Scripture in an expository style to help them see the answers to these questions as revealed in Gods word. He explains the meaning of the scriptures to the original hearers; in the process we see the way those passages apply to us today. While knowing Gods will, understanding our calling and seeing that God does truly have a plan for us as individuals may be exciting, Fletcher also examines some topics that may not be quite so comfortable. He takes a close look at pride and the myriad of subtle ways it infiltrates our lives. At times, Gods children get out of line and must face his discipline. An examination of the relevant scripture helps us understand that discipline is real but always for the good of the Christian. Essays on Faith is a devotional book offering the reader a deeper understanding of Gods word, his calling, will and purpose for our lives. Reading and applying it to our lives will lead to greater spiritual growth. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
