

Stories Heard Around The Lunchroom

By James Flanagan

AuthorHouse. Paperback. Condition: New. 108 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. If you listen closely in the school lunchroom, you will hear many stories just like these! After 7 years of telling his tales to thousands of children and adults, Jim Flanagan has put several in a book. Many of the stories came from a journal he kept as a principal, teacher, counselor and coach. The original tales are about kids of all ages dealing with the adventures of life. The book contains many character education stories that can be used for classroom discussion. The tales are a combination of humorous and thoughtful moments. The stories are never preachy. The reader will take away from the story what they want with a smile on their face. Many children have commented that the stories really make you think. Jim says, you may not remember the stories but you will remember how the stories made you feel. Students of all ages easily relate to the stories, characters and plots. The stories are from real life and kids will automatically think the tale happened in their school or neighborhood or in their own lunchroom. NAPPA 2004: Books for Ages 9 and Up...
