

Poems Of Protest (Paperback)

By William Morris

Bookmarks, United Kingdom, 2013. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Michael Rosen argues that William Morris socialist poetry was part of a long tradition of protest writing and a signpost for future struggles. This volume includes work that has not been published since first appearing as propaganda in The Commonwealth, the paper of Morris Socialist League. Although poetry was a small part of his enormous written output, it is integral to understanding the level of commitment to change that William Morris felt.

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
