Author Vivienne Zhang is a native Chinese speaker fluent in English who has been translating, interpreting and teaching for many years. She has tried, tested and perfected various lessons and techniques that apply well to Chinese studies. These modern techniques are now published in a series of four books. Each book teaches the reader both Pinyin and Hanzi (Chinese characters). One of the unique features in these books is the literal translation into English of common Chinese expressions and vocabulary. For example, you can often see the annotation lit. with the daily life topic sentences in BOOK 3, showing the direct translation of the Chinese text. This technique reinforces an understanding of sentence structure and grammar which has proven to be instrumental in helping the students and readers to retain the Chinese that they have already learned. Other Chinese language books do not use this approach. BOOK 3 provides useful, high frequency language and examples heard everyday on the streets of China. This book is designed to give the reader a solid basis for understanding Chinese in different day-to-day situations, such as eating at a restaurant, shopping, social situations, dealing with emergencies, and many more. You can study these daily life topics in any order. Like BOOK 1 and BOOK 2 in this series, one of the unique features of this book is also the literal translation into English of common Chinese expressions and vocabulary. NOTE: After you have learnt Pinyin (initials, finals and tones) in Part 1 of BOOK 1, you are ready to continue studying any books within the Modern Chinese series. . . BOOK 1, 2, 3 and 4.
