Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

GLOBAL GASTRONOMIC ADVENTURES PRESENTS BREAD BAKING RECIPES (PAPERBACK)

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Bread has been part of our daily diet for centuries and it went from a simple, white bread to the variety we have today, from whole wheat to seed bread and even gluten-free or wheat-free bread. Even for our ancestors, bread was an important part of their diet and if we read the old books, we will find it mentioned there in a form or another. Nowadays, bread baking has turned into both an industry and an art, especially if you pride yourself to be making good quality bread, crusty on the outside and moist on the inside, fluffy and golden brown, with the best fragrance in the whole world. For me at least, that's what a good bread is and freshly made bread always makes me think about my childhood and those days when I sit with my grandma in the kitchen and she made bread, allowing me to help. For her it was a ritual and it has to be perfect in order to have a good bread, for me it was just a game which turned into a passion later on, but also a necessity when I couldn't find a bread to satisfy my taste on the market. Before giving you the recipes, bear in mind that making bread is not as hard as it looks and as long as you take into account a few tips, you can't go wrong. The first thing you have to know and never forget is that yeast is a living organism and it lives and expands only under certain conditions, especially temperature. When working with yeast, all your ingredients have to be warm, not hot nor cold, but...
