Critically acclaimed by Urs Heinz Aerni (Journalist and Agent for Art and Culture), *Fallacy 2012* is a must read. . . highly informative and thrilling page turner. *Fallacy 2012* is a gripping story that weaves current theories about evolution and transformation into the lives of its characters. The wafer-thin distinction between fiction and reality is one of the main sources of intrigue in the novel. The author subtly weaves the inspiring destinies of her two characters into a broader canvas of current political and social affairs. She gives readers intimate insight into the emotions of a deeply traumatized woman and with great empathy charts Sophias path toward inner peace and equilibrium. 49-year-old Sophias life is in tatters. Saved at the eleventh hour from a tragic judicial error, she embarks on the long process of rebuilding her life. While recuperating on a tiny island northeast of Sicily, she meets Nathan, a scientist who feels it is his lifes calling to communicate the prophecies of the ancient Maya to a wider public. Nathan knows he must do everything in his power to refute the apocalyptic scenarios the doom-mongers predict for 2012 without trivializing the real risks. Sophia agrees to accompany him on this challenging journey. Will this dyed-in-the-wool skeptic and devoted biologist manage to enlighten humanity about the mysteries of 2012 in time This item ships from La Vergne, TN. Paperback.
