Reviews

The publication is not difficult in go through better to comprehend. I could comprehended everything using this created e publication. Its been designed in an exceptionally easy way in fact it is merely soon after i finished reading through this ebook by which basically transformed me, modify the way i really believe.
(Taylor Gleason)

GREATER ETHIOPIA: EVOLUTION OF A MULTI-ETHNIC SOCIETY (PAPERBACK)**DOWNLOAD**

The University of Chicago Press, United States, 2000. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Combines history, anthropology and sociology to answer two major questions. Why did Ethiopia remain independent under the onslaught of European expansionism while other African political entities were colonized? And why must Ethiopia be considered a single cultural region despite its political, religious and linguistic diversity? Donald Levine s interdisciplinary study seeks to make a contribution both to Ethiopian interpretive history and to sociological analysis. In his preface, Levine examines Ethiopia since the overthrow of the monarchy in the 1970s.
