

Delacroix and the Matter of Finish (Hardback)

Filesize: 3.9 MB

Reviews

Complete guide! Its this kind of very good read through. This is certainly for all who statte there was not a worthy of looking at. I am just quickly will get a delight of looking at a composed publication.
(Kacie Carroll)

DELACROIX AND THE MATTER OF FINISH (HARDBACK)

Yale University Press, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. This groundbreaking publication centers on a previously unknown variation of Eugene Delacroix's (1798-1863) dramatic masterpiece *The Last Words of the Emperor Marcus Aurelius*, published here for the first time. This book offers a compelling reassessment of the relationship of the artist, widely considered a primary exemplar of Romanticism, to Neoclassical themes, as demonstrated by his life-long fascination with the death of Marcus Aurelius. Through this investigation, the authors reinterpret Delacroix's lineage to such fellow artists as Jean-Auguste Dominique Ingres (1780-1867) and Jacques-Louis David (1748-1825). Playing on the various interpretations of the word *finish*, the book also offers a fascinating account of Delacroix's famously troubled collaboration with his studio assistants, his conflicted feelings about pedagogy, and his preoccupation with the fate of civilizations.
