Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

BORN TO RESIST (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Seventeen years after a series of immigration wars that rocked the former United States, sixteen year old Alexa from rural Texas finds out that her ex-military father may have had a greater part in the wars than she ever could have imagined. He is arrested for treason by the new oppressive government (RONA or the Republic of New America) and given no explanation as to why. Alexa finds herself and her best friend Jacob on a journey to California to find the mother, who she thought died when she was a baby, and the resistance who plans to stop the RONA once and for all. Along the way, Alexa and Jacobs longtime friendship changes into something much more when they both realize they have loved each other since childhood. When they meet Xander, a boy their age who was sent by her mother to bring them to California, they find out how much trouble they are truly in. RONA has been searching for Alexa since she left her small town in Texas and will stop at nothing to bring her in. The journey to California is a rocky one. They are constantly running from RONA and dealing with some not so friendly allies. Meanwhile, they are given no information about what is happening and why. Frustration mounts for Alexa when she is left with nothing but cryptic messages from her mother and prophetic dreams. She tastes death for the first time, ending her childhood innocence forever. She is met with condescending questions from commanders at each resistance base she visits. She does the only thing she can do, the one thing her father taught her well. She fights to...
