

Maimonides, Spinoza and Us: Toward an Intellectually Vibrant Judaism (Hardback)

Filesize: 7.08 MB

Reviews

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.

MAIMONIDES, SPINOZA AND US: TOWARD AN INTELLECTUALLY VIBRANT JUDAISM (HARDBACK)**DOWNLOAD PDF**

Jewish Lights Publishing, United Kingdom, 2012. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A challenging look at two great Jewish philosophers, and what their thinking means to our understanding of God, truth, revelation and reason. Moses Maimonides (1138-1204) is Jewish history's greatest exponent of a rational, philosophically sound Judaism. He strove to reconcile the teachings of the Bible and rabbinic tradition with the principles of Aristotelian philosophy, arguing that religion and philosophy ultimately must arrive at the same truth. Baruch Spinoza (1632-77) is Jewish history's most illustrious heretic. He believed that truth could be attained through reason alone, and that philosophy and religion were separate domains that could not be reconciled. His critique of the Bible and its teachings caused an intellectual and spiritual upheaval whose effects are still felt today. Rabbi Marc D. Angel discusses major themes in the writings of Maimonides and Spinoza to show us how modern people can deal with religion in an intellectually honest and meaningful way. From Maimonides, we gain insight on how to harmonize traditional religious belief with the dictates of reason. From Spinoza, we gain insight into the intellectual challenges which must be met by modern believers.
