

Linguistic Fieldwork (Paperback)

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a collection of original essays on the practice of linguistic fieldwork and language documentation. Twelve of the leading field linguists in the world have written personal essays about the study of languages in a natural setting. Drawing on extensive research experience, they pass on the lessons they have learnt, review the techniques that they found worked best in practice, and discuss a variety of relevant topics, including the attitude of the linguist, the structure and content of the work session, the varied roles of native speakers, and the practical and personal challenges of doing research in an unfamiliar environment. Covering a wide range of field areas, and written in an accessible manner, the book will be indispensable to fieldworkers in linguistics, anthropology, folklore and oral history.
